Rationale

We believe that it is important for every child to attend school in full uniform, with clean face and hands. A clean, smart appearance and the wearing of uniform have a number of advantages:

1. Our children are easily identified for security reasons;
2. Children associate their uniforms with settled behaviour and work;

3. All children look and are treated as equals;
4. Uniform limits the influence of fashion and status;
5. Wearing uniform helps children to take pride in their school;
6. Other clothes are kept good for life outside school.

We greatly appreciate the support of parents/carers with uniform.

We believe that what a child wears to school reflects their learning. We want our children to be proud of their school and we feel that by wearing the school's smart but simple uniform, our children portray the school's ethos and shared positive values.

PMG Schoolwear supply our uniform; they are our main supplier and offer uniform items with and without logos. They are based in the Eden Centre in High Wycombe and orders can be placed online, and you can also visit their shop to view items and purchase direct. Your child may also wear any uniform items as per below guidelines purchased from any of the main supermarkets or other retailers if preferred. On the PMG Schoolwear website, you are able to purchase an iron on school logo that you can put on any non-branded items purchased that are required to have the school logo – see below for which items these are.

To order any of our items with or without logos visit:
